## NOTICE OF PROPOSED ACTION PUBLIC NOTICE

### **Web Posting Date: 02/20/08**

The Administrator, Division of Environmental Protection, Department of Conservation and Natural Resources, Carson City, Nevada is issuing the following Notice of Proposed Action under the authority of the Nevada Revised Statutes, the Nevada Administrative Code (NAC), and the Safe Drinking Water Act.

The Administrator has received an application for an underground injection control (UIC) permit for a geothermal power plant project. Permit UNEV2005203 has been applied for by the following applicant:

TG Power, LLC  
4950 FM West A7/126  
Houston, Texas 77069

The applicant has submitted an application for an UIC permit associated with re-injection of geothermal water for purposes of a 32 megawatt power production facility at Hot Sulphur Springs area north of Elko, in Elko County, Nevada. The applicant is requesting up to three (3) injection wells located in Sections 5, 8 and 17 T.41N., R52E., MDB&M. Proposed target injection zones are from 2,000 - 5,000 feet below ground surface. This notice is provided to solicit comments regarding use of the injection wells, and other project-related water discharges, pursuant to Nevada UIC and water pollution control regulations. Final injection approval will come after submission of completion report for each well and other information which may be needed for determination.

On the basis of preliminary review, the Administrator has made a tentative determination to issue the UIC permit to authorize water injection and discharge activities.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance or to request a hearing pursuant to Nevada Administrative Code, Water Pollution Control, should submit their comments or request in writing by March 25, 2008 either in person or by mail to:

Attn: Russ Land  
Nevada Division of Environmental Protection  
Bureau of Water Pollution Control  
901 South Stewart Street; Suite 4001  
Carson City, NV 89701-5249  
(rland@ndep.nv.gov)

This Document is for Electronic Distribution

All comments or objections received within thirty days of newspaper publication will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty days prior to the hearing date.

The application, comments received, and other information will be on file and may be copied at the office of the Division of Environmental Protection, or copies may be obtained by writing to the above address or by calling Russ Land of the Bureau of Water Pollution Control at (775) 687-9428.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
